

Book a visit with your loved ones

Family members will be able to book visits with residents starting Saturday, June 6th. We have 3 areas that can seat 4 people and be a minimum of 6' apart. Family members will need to bring a mask with them and will be screened (questionnaire and temperature taken) at the main entrance when they arrive, and will then be taken to the visiting areas.

Visits will be kept to 40 minutes or less and will be booked at the following times:

Morning

9:30-10:15
10:15-11:00
11:00-11:45

Afternoon

2:15-3:00
3:00-3:45

Residents can book at time at the front desk or family members can book by calling **902-735-2220** or emailing **recreation@maplesretirement.ca**.
